

2012 Training Details & Class Dates

Who Should Attend: Automation Specialists, Application Specialists, Technical Support (Open to both Kepware Partners and End Users)

Location: Kepware Offices in Portland, ME

Fee: \$985 /person; plus travel & expenses

Description: A comprehensive overview of OPC followed by an in-depth discussion of OPC enabled software products by Kepware Technologies. The course will provide substantive knowledge of the OPC server & plug-in driver architecture in the KEPServerEX product line.

Additional hands-on exercises will be provided for OPC server bridging with LinkMaster, configurable device communications with U-CON Protocol Server, Data Logger plug-in, or other Kepware products by request.

Outcome: On completion of the course the student will be able to install, configure, troubleshoot and optimize a KEPServerEX project as well as two other products of the student's choosing.

The agenda describes the 2 day course that end users will participate in.

Registration & Hotel Information: Please contact Fred Loveless at (207) 775-1660 ext 207 or fred.loveless@kepware.com. We try to limit the class size to 10 attendees.
