

338

people tuned into Kepware's **SNMP Connectivity with KEPServerEX** webinar from different parts of the world.

They represented several industries—

Manufacturing

Telecommunications

Systems Integration

Transportation & Distribution

Medical/Pharmaceuticals

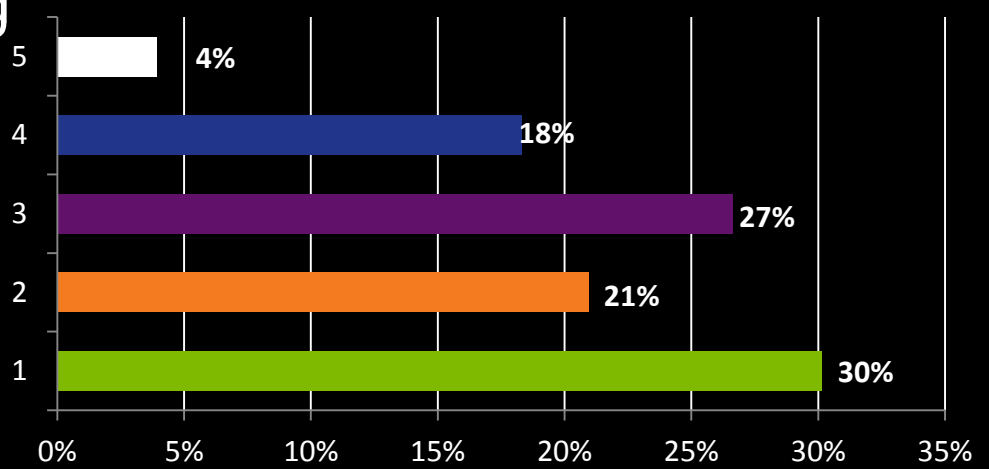

Energy/Chemical/Utilities

Software/Other

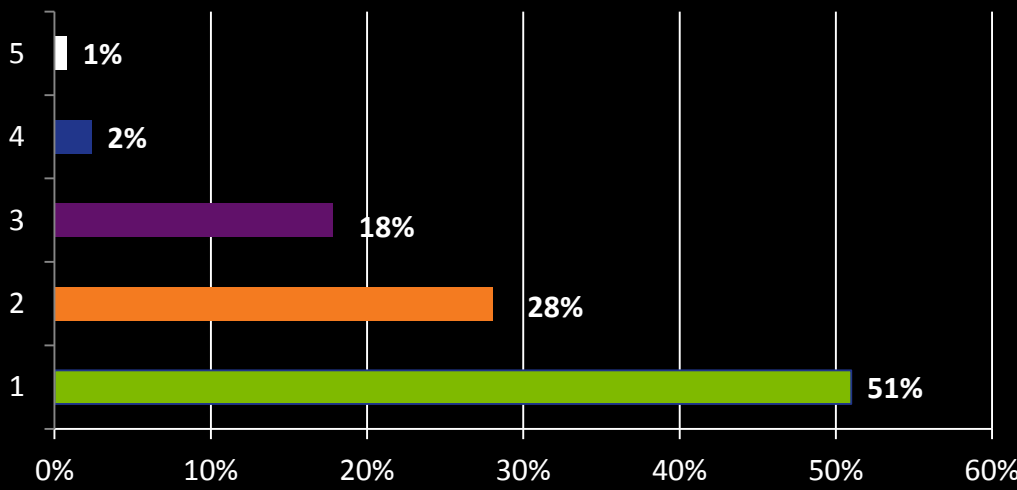

and had **varying levels**
of experience configuring
both **KEPServerEX**

Experience rated on a scale of 1 to 5,
with 1 being no experience and 5 being expert.

...and **SNMP**.

Experience rated on a scale of 1 to 5,
with 1 being no experience and 5 being an expert.

The first part of the webinar focused on **SNMP terminology**.
Then, attendees learned:

- **How** Kepware's **SNMP Agent Plug-In** acts as an SNMP Agent to higher-level administration systems
- **How** Kepware's **SNMP Driver** can be used to **connect** to an SNMP-enabled device

48% of attendees later said they would find the **SNMP Agent Plug-In** helpful in their current systems.

70% of attendees later said they would find the **SNMP Driver** helpful in their current systems.

Learn more about **Kepware's SNMP Driver** and **SNMP Agent Plug-In** with these additional resources.

- **Watch** the **SNMP Connectivity with KEPServerEX** webinar.
- **Download** a free, fully-functional 2-hour demo.
- **Learn** more about **in-house** and **onsite training** opportunities.
- **Contact** a Kepware representative for a consultation.
